

RHOME COMMUNITY LIBRARY presents
SUMMER READING CHALLENGE—Universe of Stories—Planets & Stars
Special event: Perot TECH Truck

Special STEAM activity!!

PEROT TECH TRUCK, Saturday, July 13, open between 12 noon to 2 p.m. Come & Go!

The **TECH Truck** brings hands-on discovery directly to the youth of Wise County. Walk-up activities that range from 10 – 20 minutes will provide hands-on experiences. The Perot Museum brings the inspiration and innovation of the Museum into communities via the **TECH Truck**—a mobile discovery lab where you can **Tinker, Engineer, Create and Hack** right in your own neighborhood. Kids and caregivers share the thrill of discovery that’s so essential to fostering confidence and creativity in STEAM subjects. No registration required.

Special program to encourage your child to read!

The Tail Waggin’ Tutor, June 12 and July 10, 2 p.m. to 5 p.m.

Katherine Prado and her dogs, Honey and Ava, are certified by Therapy Dogs International.

The dog provides a stress-free, relaxing environment for the child to practice reading. Reading to a dog is a great way to encourage reluctant readers & reward proficient readers. The end goal is to get kids reading because reading is a skill that only improves with practice. **Call the library to schedule a time to read or just come on that day. Time segments are 15 minutes.**

Summer Reading Challenge – Set your goal and read, read, read!!

Keep your log with reading time and books—The more you read—the more rewards you earn!
